ABOUT JESSICA

Jessica takes great pride into the work and love that she puts into her floral arrangements. She believes that a wedding day is one of the most special and memorable in a couples lives, and she commits to providing her clients with the florals creations of their dreams. All arrangements are created unique as no two weddings are ever the same. Jessica Lee has been running her business since 2016 on her own, and all of her clients I'll have nothing but positive things to say about her and her work.

SWEET PEA PETALS
by Jessica Lee

Sweet Pea Petals by Jessica Lee
Custom Floral Arrangements for Every Wedding Style

[Irvine, CA]: Jessica Lee today announced the relaunch of her branding, *Sweet Pea Petals by Jessica Lee*; The business is relaunching social media platforms with newly designed branding series and placing focus on building their target audience and online presence. *Sweet Pea Petals by Jessica* provides custom made flower arrangements for weddings and high-end events and takes pride in making couple's dream weddings come to fruition.

"We're so thankful to have you as our florist, your florals made the wedding 100%! Thank you so much for making it such a beautiful wedding, it would not have been possible without you!," said the bride, Elisa Yu, about Jessica Lee's services on her special wedding day.

Features and benefits of [product/service] include.

- #1- Custom floral design and execution.
- #2- Strong communication throughout process.
- #3- Fresh florals for day of Wedding and/or reception.

Sweet Pea Petals by Jessica Lee will be available starting February 11, 2021 to begin setting up appointments about her services offered. For more information on her floral services or to preview Jessica Lee's portfolio, visit

About *Sweet Pea Petals by Jessica Lee*: Jessica's portfolio showcases the success of her previous floral arrangements she'd created for wedding ceremonies and receptions. Jessica's business and craft has the potential to thrive once there is a proper online presence for the business, and is in fact doing so considering the minimal marketing strategies she has set in place.
